CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Since our institution is affiliated to Guru Nanak Dev University, Amritsar, it is mandatory for us to follow curriculum developed and prescribed by the said University. For the development and revision of the curriculum, the teachers teaching in Colleges of Education affiliated to GNDU, Amritsar are involved.

Meetings for curriculum design are held at regular intervals for the upgradation of curriculum. Processing of curriculum development comprises of three steps:

- The first step is based on the feedback given by the students and society and also with consultation with experts. Keeping in mind the feedback, the teaching faculty then, proposes the curriculum.
- At the second stage, it is placed before Board of Studies for approval.
- At the final step, it is placed before Faculty of Education and then, before the Academic Council for approval. Two members of the College are also members of Board of Studies of Guru Nanak Dev University, Amritsar. They participate in all the meetings held for curriculum revision. Apart from this, the periodic alumni meetings, the feedback from the students and teachers regarding the course curriculum help in the assessment of needs, which provides an impetus to modify certain methods and practices in teaching. Criteria based feedback proforma are prepared which are then filled in by the students. From the feedback so obtained, necessary action is taken. Feedback is also collected from the practicing schools on a proforma devised by the teachers of the institution to make suitable modifications in the curriculum. The feedback from the Heads and the senior teachers are also taken into consideration for revision and updation of the curriculum.
- The Annual Academic Calendar is prepared according to the University Calendar before the commencement of session, specifying available dates for significant activities and it is displayed on the students' notice board and the staff room.
- Meeting is held in each department to discuss about the course distribution and time table for the academic session.
- Syllabus and time table is provided to the students. Faculty is advised to maintain a personal diary for effective academic planning, implementation and review of the curriculum.
- Conventional classroom teaching is blended with reasonable use of ICT to make the teaching-learning process more learner-centric.
- Classroom teaching is supplemented with seminars, workshops, special lectures, group discussions, tutorials, poster presentation by the students, projects, educational tours, field trips and industrial visits for effective delivery of curriculum, which are done in a planned manner. For the convenience of the students, the lessons are regularly uploaded by the teachers on e-governance. The record of each and every activity is maintained by the teachers.
- The College Library provides teachers and students with necessary learning resources for effective delivery of curriculum. College library has subscription of research journals for post graduate students. E-books are also available in the library and user name and passwords are provided to teachers and students.
- All Internal Examinations like class tests, unit tests and house tests are conducted. All examinations are conducted according to the Academic Calendar. Tutorials are held regularly to monitor the progress of the students. Remedial/Special classes are conducted for weak students. Special efforts are

made by the teachers to improve the performance of the toppers of the college as they are made to solve University Question Papers of the last 10 years. Record of the regular attendance, mark lists and progress of the students are maintained and preserved by the respective teachers on their diaries. • The college encourages faculty members to attend Orientation/Refresher courses, webinars, Faculty Development Programmes, workshops and present papers in seminars conducted by the affiliating and other Universities for acquiring necessary skills for effective delivery of the curriculum.

(maximum 500 words)

Feedback Obtained

The Institute has well planned mechanism to seek informal feedback from the Students, Alumni, Employers, Community, Academic peers and other stakeholders with reference to the curriculum. From the Students A feedback proforma is given to the students after the completion of the course and they are asked to comment on the curricular aspects of the course. The old students are free to discuss about these changes with the Principal and teachers of the college or mail their suggestions. From the Alumni An alumni association of the college has been formed and meetings are organized from time to time to get feedback from old students regarding the curriculum and the changes need to be brought about in the curriculum. From the School Heads and Teachers The heads and teachers of the practicing schools who supervise the student-teachers of the college during their stay in the school also give the feedback about the performance of the student-teachers and about the needed changes that should be brought about in the training of the teachers and curriculum. From Teacher Educators In addition to this, the faculty members of other colleges who are appointed as external examiners for the practical exams are also encouraged to give feedback regarding the course content and training. After getting the feedback from various sources, suitable action is taken to bring possible changes in the curriculum and its transaction. The College has constituted a committee comprising of senior faculty members of different subjects. The feedback obtained from different sources is properly documented and analyzed by the committee. The strengths and the weaknesses are properly recorded and on the basis of analysis, various changes were brought about in the curriculum during the last 5 years.

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

The Mentoring System was introduced to monitor student progression both in academics and help students deal with issues related to life on campus and also give guidance related to their personal issues. The institution tries to adopt every best policy to entertain the hopes and aspirations of all the students irrespective of caste, sex, religion and financial background. Many of our students are from rural areas and they lack proper academic background and financial backup. Mentoring of students thus, is an essential feature to render equitable service to all our students having varied background. The main objective of the mentoring system is to provide a better understanding of the individual students and bring out their highest potential. For mentoring the students, our institution conducts tutorial classes for solving the educational problems as well as for identifying the special needs and talents of the students. The maximum ratio of tutor and students during the tutorial classes is 1:25. During teaching practice, the subject teachers of the practicing schools also act as members for the teacher trainees. Even, the students with good teaching skills also act as mentors. The advanced learners are also encouraged to act as members for academically weak students. The mentor mentee ratio during teaching practice is 1:14.

For the continuous internal evaluation of the students: topicwise questions banks are prepared and used by the teachers, Class tests are conducted to identify the weaknesses of the students and feedback is provided accordingly. After the completion of the unit, unit tests are conducted to know the understanding/achievement level of the students, Two house tests are conducted per semester to evaluate the achievement level/progress of the students., Skillin teaching competitions (inter-house) are conducted to assess the teaching competencies and personality traits of the teacher trainees. Students grievances regarding their evaluation are duly addressed from time to time, Flexible evaluation techniques are adopted keeping in mind the inclusive setup.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

In every academic year, GNDU prepared and circulates the academic calendar to all the affiliated colleges. In that light, our institute prepares own academic calendar which includes all curricular and co-curricular aspects. As per academic calendar in every semester two mid terms exams are scheduled. Exams are mostly conducted on the scheduled dates unless and until any kind of unavoidable situation arises. Schedules of two rounds of micro skills in teaching (practice and evaluation) are also mentioned in the calendar. Before going to the schools for actual teaching practice, 15 days workshop is being conducted in which students are trained for different teaching skills (micro and macro lesson plans). Along with examinations, different national and international days celebrations, activities of different clubs and committees also mentioned in the calendar for the smooth functioning of the whole session activities.
