REPORT ON WORLD ENVIRONMENT DAY

Khalsa College of Education, G.T. Road, Amritsar organized an online awareness program on the occasion of World Environment Day on 05 June, 2020 during COVID-19 times. All the students and faculty members have participated with full energy in this program. Our College Principal, Dr. Harpreet Kaur gave instructions to students through ZOOM meeting. The objective of this program is to spread awareness among people about saving our environment from various types of pollution and to plant more and more trees to make our mother earth full of greenery. After two hours, the students again joined the Zoom meeting and College Principal gave a very good and well-researched speech about how the condition of our environment today is and why we need to be aware. In the end, he took a promise from all the students that no one will pollute the environment and will not allow anyone to do so.
