IQAC REPORT

The periodic meeting of IQAC was convened on Jan 18, 2021 which was attended by the members of IQAC. The meeting was presided over by Dr. Harpreet Kaur, Principal Khalsa College of Education, Amritsar.

The agenda of the meeting was to:

- chalk out programmes for sensitizing teachers & students regarding various health issues during Covid times.
- conduct workshop for school teachers for integration of ICT
- organize online activities for the holistic development of the students during Covid period

S. Jagdish Singh Ji, Director, SSSS, institutions said that the ongoing Covid Pandemic is taking toll on the physical & emotional health and as a result we all are facing a large no. of health issues. As Covid norms have been put in practice so it is hard for the people to visit hospitals to seek advice on various health issues from the doctors. As the teachers & students need to be physically & mentally fit to face the pressure of online classes conducted during the pandemic, so it is important that some kind of virtual programmes should be chalked out whereby the teachers & students can interact with the doctors & specialists to seek advice on various health related issues & problems.

Dr. Deepika Kohli endorsed the idea of S. Jagdish Singh Ji. She further highlighted that since schools have already shifted to online mode of teaching due to the ongoing pandemic, however, a number of school teachers face problems in taking online classes as they are not well versed with the various technology/Apps/Platforms available for conducting the online classes. Our college being Nodal Centre for Educational technology, should organize workshop for school teachers whereby they can be sensitized the various technologies/apps/platforms & to train them to use them appropriately to make their teaching effectively.

Holistic development of students is a challenge during Covid times. So S. Raghbir Singh Ji, Chairperson - Pingalwara Charitable Society, Amritsar suggested that certain online activities must be planned by the college authorities for ensuring the holistic development of the students.

In the end of the meeting Vote of thanks was proposed by Dr. Gurjit Kaur.
