IQAC REPORT (June 1, 2021 –Nov. 30, 2021)

Internal Quality Assurance Cell of the institution held its periodic meeting on July 19, 2021, which was attended by IQAC members and presided over by Dr. Harpreet Kaur, Principal Khalsa College of Education, Amritsar.

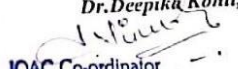

The agenda of the meeting was as follows:

- (i) Orientation of Teachers for the effective implementation of NEP 2020
- (ii) Orientation of students for lesson planning in context of NEP 2020
- (iii) Collaboration with practising schools in order to discuss various implementation issues of NEP 2020
- (iv) Implementation of integrated and multidisciplinary approach to education
- (v) Guidance of students on Post-Covid effects before beginning of offline classes
- (vi) Development of life skills
- (vii) Awareness about fitness and physical health among faculty, students and masses
- (viii) Recognition efforts of teachers working in the schools at state and national
- (ix) Awareness about environment protection
- (x) Awareness about Voter Registration
- (xi) Develop competitive spirit among teacher trainees

Dr. Nirmaljit Kaur, Coordinator, shared with the House that The National Education Policy of India 2020 (NEP 2020), which was started by the Union Cabinet of India on 29 July 2020, outlines the vision of new education system of India. For effective implementation of NPE 2020 collaboration with practising schools and community are very important. She further highlighted that a multidisciplinary approach is a way to integrate curriculum that shows how different fields can look at a theme, subject, or issue from different points of view. In a multidisciplinary curriculum, the same subject is studied from different points of view. Principal Jagdish Singh Director, SSSS, institutions endorsed the same and said that Education is not limited to a particular discipline. Dr. Gurjit Kaur, Incharge NSS programmes also said that NEP would transform the education sector in the country and suggested to conduct more session on NPE 2020 and its effective implementation.

Dr. Shyna discussion was focused on role of fitness and good physical health among faculty and students. For this teachers must include a variety of sports and offer young people the chance to grow and improve their social and physical skills. Dr. Bindu Sharma discussed about the Recognition of efforts of teachers working in the schools at state and national level. She said that The goal of the Punjab Teacher Award is to recognize the exceptional contributions of some of the nation's finest educators.

The meeting concluded with vote of thanks proposed by Dr. Maninder Kaur and Dr. Deepika Kohli, Member IQAC.

IQAC REPORT (Dec. 1, 2021 -May 31, 2022)

The periodic meeting of IQAC was convened on Jan 3, 2022 which was attended by the members of IQAC. The meeting was presided over by Dr.Harpreet Kaur, Principal Khalsa College of Education, Amritsar.

The agenda of the meeting was to:

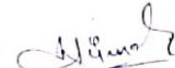

- (i) Awareness regarding Dr. Bakhish Singh Scholarship
- (ii) Awareness about the contribution of Netaji Subhash Chandra Bose
- (iii) Celebration of National Voter day
- (iv) Promoting international understanding and providing international exposure to students and teachers.
- (v) Development a multiplicity of skills in the teacher trainers
- (vi) Encourage faculty and students to enroll for MOOC.
- (vii) Provide guidance to the student's bout competitive examination and its preparation.
- (viii) IPR awareness

Dr Karamjit Singh, Retd. Director, Public Health Punjab discussed about the importance and relevance of scholarships to the students. He said that scholarships assist students in achieving their academic and professional objectives by removing financial obstacles. He endorsed the idea of spreading awareness about our national leaders among students to develop their personalities.

Principal Jagdish Singh Director, SSSS, institutions focused on the Promotion of international understanding and providing international exposure to students and teachers. International exposure will increase experience in terms of new skills, language, outstanding learning opportunities, etc.

Dr Gurjit Kaur also endorsed the idea of international collaboration which can also be achieved by registering to International MOOCs as MOOCs offer a flexible and cost-effective method for acquiring new skills, advancing career, and delivering high-quality educational experiences.

Dr.Deepika Kohli endorsed the idea of Dr Gurjit Kaur and she further highlighted that MOOCs provide the opportunity to learn with premier colleges from around the globe. Also she focused on guidance of the students regarding IPR and competitive examination. In the end of the meeting Vote of thanks was proposed by Dr Bindu Sharma and Dr Maninder Kaur .
